Location: At post  
jogeshwari Ta-gangapur  
Dis-sambhajnagar Chh  
Sambhajnagar 431136  
Maharashtra India  
Birthdate: 06-Jun-2004

## Languages:

- English
- Hindi

## Interest:

- singing

## Education:

**Shree gajanan Vidya mandir ranjangoan Sambhajnagar**

Jun 2019 - Mar 2020

SSC

81.40

**HSC**

Jun 2021 - Feb 2022

science

65.50%

**Dr Babasaheb Ambedkar Marathwada university**

Jun 2021

Bsc Computer science

A++ sgpa:8.84

## Projects:

### Tips prediction model

Made a tips prediction model using Machine learning algorithm and also made frontend for the model for user friendly experience

### Heart disease prediction model

Made heart prediction model by using logistic regression it predicts if the heart is affected or not

### student placement model

Made a model for students placement using logistic regression. This model shows graphs, plots and visualised images by matplotlib

## Skills:

- C
- Html
- Css
- python
- machine learning
- Problem-solving
- Team building
- sql
- Excel
- data visualization

## Additional Information:

I am a quick learner and passionate about data and its domain.
